

THRESHFIELD PRIMARY SCHOOL

NEWSLETTER 09.10.2026

What a fantastic splash of yellow we had at Threshfield for Hello Yellow Day! Thank you to all our families for their generosity and support. As well as having important conversations about wellbeing, mental health and belonging. We raised an incredible £221 for Young Minds, helping them continue their invaluable work supporting children and young people.

The Catkins

Catkins have truly embraced 'Hello Yellow Day.' We have jumped in muddy puddles and enjoyed the benefits of being outdoors, decorated our own sunshine pictures while thinking about the things that make us happy, and shared some lovely ideas about how we can be kind friends. We also had lots of fun singing 'If You're Happy and You Know It' together.

The Acorns

Today in Acorns we have spent time on the 5 ways of wellbeing steps, we were connected by discussing our feelings and why we felt like that, then we were active with a very energetic wake and shake, we noticed when our friends needed help or comfort, we were creative and made affirmation cards for someone special and we learnt something new, we learnt how to say hello in French with

The Seedlings

Seedlings have had a lovely 'Hello Yellow' day learning all about how we can help ourselves and others by being kind. We were very excited this morning as we came in our yellow and we started our morning by creating belonging stars on what makes us feel part of our class!

The Saplings

The Saplings have had an amazing 'Hello Yellow' day! We spent the morning with a bit of discussion, talking about different ways we can improve our health. We spent time creating artwork to reflect this. Sapling's loved their first DT lesson with Mrs Appleton, using syringes to inflate and fill balloons.

The Oaks

Our focus for the day was Belonging. What gives us a sense of belonging and how can we help others, who may be struggling, to feel included and valued. The children wrote their own pledge on how they would actively make our school a better place for everyone who walks through the door.

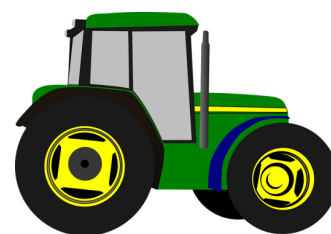

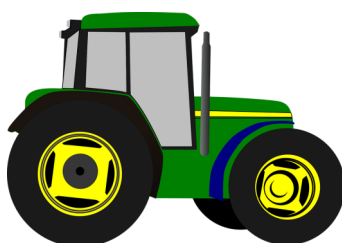

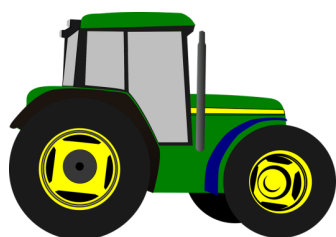

Harvest Festival – Monday 20th October, 2025

On Monday 20th October, we are inviting you to a Harvest Feast and activities. You are invited into school, from 1.45pm for some Harvest activities and sharing of food. Then the children will gather to share some songs with you before the highlight of the day!

To complete the day, we are hoping to continue the tractor run around the one-way system – if you can please bring your own tractor.

The tractors will set off around the one-way system at 15:00pm. We will be there to cheer them on; we will walk to the top of the hill to cheer them on, at Monkholme and then walk back down to school as they arrive back. Everyone welcome.

Before the event, we will be collecting items for the Food Bank in Skipton. If you could donate that would be brilliant but please do not feel like you have to.
