## Headteacher's Message

Summer seems to have landed!

I hope you've all been enjoying the beautiful weather - it certainly seems to have put a skip in the children's step.

Next week we have the Year 6 SATs, followed by residential and then all the summer activities will start happening. Keep an eye on the blue column for dates of upcoming events.

## **Dates for your Diary**

**Please check the calendar  
on the school website for  
future events**

### **Coffee Morning at Church House**

Saturday 11th May

### **KS2 SATS week**

13th to 17th May

Monday: Grammar

Tuesday: Reading

Wednesday: Maths 1 & 2

Thursday: Maths 3

### **Yr 6 Liverpool Residential**

Tues 21st May to Fri 24th  
May

### **Yr 4/5 Netherside Residential**

together another fabulous  
community event. I hope  
you will all be able to make  
it. It sounds unmissable.

### **Transition Day**

Thursday 27th June, 2024

All children will work within  
the year groups for next  
year.

### **Sports Day**

Thursday 4th July

At Netherside Hall

### **Preschool Sports Day**

Friday 5th July

At school

## The Acorns

In Acorns this week we have started our new text 'After the Fall' all about what happens to Humpty Dumpty after he has fallen off the wall. We are coming up with some fabulous predictions as to what might happen next. With all this delightful sunshine we have been enjoying lots of time in our learning garden making lots of interesting looking dishes in the mud kitchen. Our potatoes and salad seeds are growing wonderfully and our caterpillars are getting very big, I wonder if there will be any cocoons when we come back in on Monday.

## The Saplings

It's been such a super week in the Saplings class which has been helped by the beautiful sunny days!

The Year 3's have been working with real money, finding amounts using pounds and pence and have enjoyed the practical aspects. We have been exploring formal letters in English, looking at their purpose and detecting a range of features. We have been looking at some key features of North Yorkshire in Geography and our Focus in RE has been Hindu worship.

## The Seedlings

This week in Seedlings we have been practicing our skills in writing instructions, carefully choosing the correct equipment, time conjunctions, and imperative verbs to make our directions clear. Additionally, we have created birds-eye view maps of the school, complete with map keys - a task that truly showcased their attention to detail and creativity! We have very much enjoyed exploring measurement, using centimetres and metres to compare various heights and lengths around our school. Well done Seedlings!

## QR Code:

## The Oaks

Our Year 5 children have been designing computer games in our computing topic this half-term. They are all based on a theme, with increasing levels of difficulty. You can have a play too, using the QR code above.

## Outside of School

Our creative and talented children have been completing all sorts of fantastic achievements outside of school.

One of our girls worked with the Yorkshire Fossil Hunter group last weekend. She walked the beach, learning what to look for and how to find fossils. With all the ones she found, she must be pretty good!

At school we have lot of farming families and we are very proud and grateful of all the work they do. Some of our boys spent last Monday at the auction, where they sold some of their life stock which they had raised themselves. The buyers were very impressed with their mature attitudes and the hard work they had obviously put into raising their flocks.

Week	Acorns	Seedlings	Saplings	Oaks	Whole School
Week One	100%	100%	98.21%	100%	99.6%
Week Two	97.3%	97.4%	99.3%	97.5%	97.9%
Week Three	100%	93.9%	98.2%	97.5%	97.4%
Week Four	99.1%	93.0%	97.9%	99.2%	97.3%
Week Five	98.3%	92.9%	96.0%	97.9%	96.3%
Week Six					
Week Seven					

**This week our overall attendance: 96.3%**
