Headteacher's Message

Happy Summer Term everyone!

Hopefully we may get some 'summer' weather soon but for now we may just have to make do with a million different events and activities to keep us entertained and hopefully the weather will eventually catch up. Keep an eye on the blue dates column this half term - it is going to get manic!

Dates for your Diary

Please check the calendar on the school website for future events

School Reopens

Monday 9th April

Bags 2 School

Thursday 18th April

Please drop off bags before 9am on the day

Thackray Medical Museum

Thursday 18th April

Seedlings are going on a trip to the museum. Letter and consent sent via EVOLVE email. Contributions on Parentpay.

SATs Booster Classes for year 6

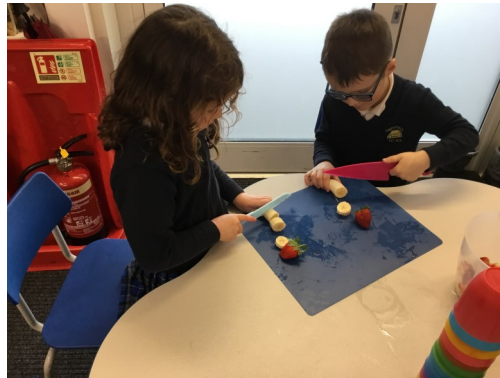

Monday's 3:30-4:30 for the next 4 weeks

Liverpool Residential Parents Meeting

Thursday 25th April at 6pm via Zoom

The Acorns

Wow what a week! We have jumped straight into our new topic 'growing' and we are learning so many new and exciting things. We have been looking at both plant and animal life cycles and are even witnessing some in the classroom with our class frogspawn. In English we are looking at The very hungry caterpillar and so made some yummy smoothies using some of the fruits he ate, they were delicious.

The Seedlings

What a busy first week back! We started our week making paper mache globes, looking closely at the seven continents and five oceans. Children became meteorologists, researching the different climates and presenting their posters to the class.

Continuing with our artistic skills, we have followed instructions in English creating realistic treasure maps. We finished the week beginning our new computing units, focusing on coding in Year 1 and creating pictures in Year 2.

The Saplings

This week the children came into school with some wonderful pieces of home learning.

It was lovely to watch them share and discuss them on their tables and it was clear that

many children had worked hard! Our new topic in English is letters and we have been enjoying a range of texts this week to explore the features of them, including The Jolly Postman and the Dragon Post. We enjoyed our new topic in ICT this week and the Year Four children are looking forward to creating

animations over the next few weeks!

The Oaks

First thing Tuesday morning the children presented their home learning and what a treat it was to see how creative they had been and how hard they had worked. The children enjoyed adding comments to their friends' work and receiving positive praise themselves.

After that, we moved full steam ahead into English and Maths. In English the children edited and published their final piece of work based on the text, 'Goodnight Mr Tom' and produced some fantastic narratives.

in Maths, the Year 5s started their new topic, 'Statistics', while Year 6 completed an arithmetic paper in preparation for their upcoming SATs.

Teacher Training Day

We really do train on these 'teacher' days.
On Monday, all the staff completed Paediatric and Emergency First Aid.

We recognise the continuous dangers around school and we make sure ALL of our staff are fully trained to provide assistance should the children or their parents need it.

TYRO TRAINING

TRAINING | CONSULTANCY | SUPPORT

Week	Acorns	Seedlings	Saplings	Oaks	Whole School
Week One	100%	100%	98.21%	100%	99.6%
Week Two					
Week Three					
Week Four					
Week Five					

This week our overall attendance: **99.6%**
