

To encourage children to be clear thinking imaginative and creative.

To help children achieve academically and develop self-confidence.

To involve parents and local community in learning.

To create a place where children love to learn.

To prepare children for the future.

Threshfield Primary School Vision and Aims

The governors and staff want to provide a safe environment in which children can make good progress in all areas. Everyone involved in the school works together so that children can reach their full potential.

Our school aims are:-

To help children to learn right from wrong.

To encourage children to lead a healthy life-style and look after the environment.

To make sure that children know how to keep themselves safe..

To help children understand that everyone in the world is equal and that we all rely on each other.
