GTA and lunchtime supervisor

We are delighted to have successfully appointed Mrs Snowden as our new GTA to work in Kingfishers 4 afternoons a week and also as a lunchtime supervisor. She has already gained several years experience working in schools, particularly with EYFS and KS1, and we are pleased that she will be able to continue in this role until the end of summer term.

News from the Kingfishers

This term Kingfishers extended their topic of Travel and Transport by looking at journeys particularly hot air balloon flights. They have learnt about the history of the first flights and made papier mache balloons with baskets, which will be displayed in the classroom. The children have written some super adventure stories about balloon flights. The year 2 pupils sat their SATs tests this half term and handled them brilliantly.

News from the Curlews

This term the Curlews have journeyed to Scotland with Dick King-Smith to meet, Crusoe, the young water horse. The novel has inspired some incredible creative writing. Year 4 enjoyed an adventurous day at Nell Bank on their cluster trip and we had our very first golf tournament where we came a fabulous 5th!

News from the Red Kites

Red Kites have been working hard this term, learning about Japan: from understanding its number system to the legend of Koi Carp, making sushi and studying Kensuke's Kingdom by Michael Morpurgo.

Cober Hill - Residential Trip

Our Year 6s had a fantastic time with Miss Alexander and the cluster schools at their recent residential trip at Cober Hill, near Scarborough. The girls and boys all had fun and rose to the challenge of staying away from home for two nights.

PRIMARY SCHOOL

SATs

Our Year 6s all successfully completed their SATs earlier this month. They worked particularly hard in the run up to SATs week and remained calm, focused throughout the tests. We hope that all their hard work pays off in early July.

Attendance

Whilst attendance was at 98% for Spring term 2, it has now dropped to 94.4% this term, some of this is due to an increase in unauthorised absences. Please could you check when booking holidays that they do not fall in term time.

We will be delighted to present 12 certificates for 100% attendance at the next merit assembly which is on Wednesday 7th June at 2.30pm. We look forward to seeing you there.

Class Photographs

Thank you to everyone for ensuring high standards of school uniform. All our pupils looked very smart in the recent class photographs and we thank you for your cooperation in ensuring that this is maintained.

This has been another productive and hardworking term for both staff and pupils. We wish you all a very restful and happy holiday and look forward to seeing you back at school on Monday 5th June.
