### NEWSLETTER SUMMER 2

#### **Ofsted**

We are delighted to draw your attention to the latest Ofsted report which has judged us to be 'Good'. Our children, staff and governors are all recognized for their amazing work in this report and we are so pleased to have this work validated and endorsed by Ofsted.

All children were handed a copy of the report which is also available on our website to download. The report will be added to the Ofsted website in the next 5 days. We would like to take this opportunity to thank you all for your continued support of the school and the fantastic feedback we got from Parentview. We really appreciate you taking time to complete the questionnaire.

#### **Sports**

We are pleased to confirm that Reception and KS1(Y1 & 2) PE will be taught by Kanga and Mrs Davidson in school on Wednesday afternoons and KS2 (Y3-6) PE and swimming will be taught at UWS on Thursday afternoon by Mr Bode (Kanga) and Mrs Willets (UWS). This has been timetabled for the whole year. Please could all pupils ensure they have the correct kit in school on those days.

#### **School uniform**

In general, standards of school uniform have been outstanding this year and we thank parents for working with us to ensure our pupils look so incredibly smart and take such pride in their school identity. I would like to gently remind parents who may be replacing school shoes and other uniform over the summer holidays that children should be in black school shoes, (both black uppers and soles), please.

Socks should be white or navy blue or navy blue tights for girls and grey socks for boys. Where there is a problem with damaged school shoes, inexpensive black pumps are more suitable as a temporary replacement than brightly coloured trainers, which should not be worn in school.

#### **Help us to keep your child safe**

Please could I ask that you come to the gate at the end of each day so that we know your child has been handed over safely and also to avoid them crossing a busy car park on their own; also, please observe the one way traffic system to aid traffic flow.

## PRIMARY SCHOOL

---

### **Breakfast Club**

Breakfast Club will continue to run 5 mornings per week starting at 8am or 8.30am. Could I please remind parent not to drop their children off before 8.50 if they are not using this provision - we cannot accept responsibility for your children before this time.

### **School Dinners/Packed Lunches**

Thank you all for supporting the school by encouraging your child to eat school dinners where possible. One of the things the Ofsted inspector did note was the amount of parents who still continue to include chocolate and other unhealthy foods in their child's packed lunch, and on a daily basis. This does not assist us in encouraging other children to persist with, and develop, a taste for vegetables etc.

North Yorkshire caterers plan their menus carefully to ensure a healthy balanced diet on a three week cycle which ensures a variety of foods are served; this is different to eating the same unhealthy choices every day.

### **Happy Holidays**

After a week filled with wonderful activities to mark the end of another fantastic year, we said goodbye to our Year 6s and wish them the very best of luck in their new schools.

Have a very happy and relaxing holiday and we look forward to welcoming you back to school on Tuesday 4<sup>th</sup> Sept.
