

## Headteacher's Message

Happy New Year everyone! I hope you had a wonderful Christmas.

The children must have had a good rest over Christmas as they have been working extremely well this week. Even though it has been a bit of a shock to the system being back at school, the children have taken it in their stride and produced some excellent work.

We have lots of exciting things happening this term too, so please read the newsletter to keep up with dates and events. Thank you.

## Dates for your Diary

### **Enterprise Club**

Enterprise club will be starting again on Wednesday 15th January, 2020.

### **P.E. and Swimming**

P.E. and swimming will begin again on Thursday 9th January: this is the first week back. Children in Year 1—6 come to school in their P.E. kits.

### **Kanga Sports**

Our Sports Club will be continuing next half-term. The first session will be on Thursday 9th January. There is no charge for this club - all year groups welcome.

### **Tag Rugby**

Hedley Verity from Wharfedale RUFC will be leading Tag Rugby session every Monday afternoon for Curlews and Red Kites. Can all children please bring their P.E. kits.

### **PTA Meeting**

The Parent and Teacher Association will be meeting at 7pm on Wednesday 15th January at The Fountaine, Linton. Everyone welcome.

### **Curry and a Quiz**

The PTA have organised an adult only night on Friday 31st January. Poster attached.

### **Beauty and the Beast**

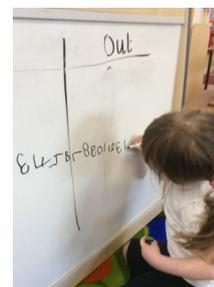

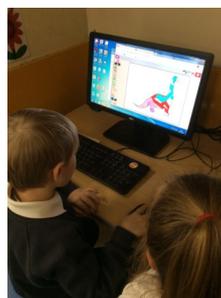

We have been invited to Upper Wharfedale School for the dress rehearsal of their school production.

Tuesday 4th February 1pm - 4pm. Details to be arranged.

## Kingfishers

It's been an exciting week in the Kingfisher class as we begin our new topic. The children have enjoyed learning about animals living in the polar regions and have created some super animal artwork. In literacy, we have looked at the story 'The Naughty Bus' and we created different vehicles out of construction materials.

## Curlews

What a start to 2020! In Literacy we have been learning all about captions, labels and signs; the children have been particularly interested in signs and what they are for so do continue this at home and on journeys. We have continued with our work on addition and subtraction this week, securing important number facts and learning new strategies to add tricky numbers. In Science we discovered just how amazing our eyes are; I was thoroughly impressed with their knowledge!

## Red Kites

This week in Red Kites we have been learning about different tribes in the Amazon in literacy. This is for our unit: Stories from Other Cultures.

In Numeracy, we have been working out the perimeter of various shapes, both regular and irregular. Year 5 and 6 children have been using their existing knowledge to solve mastery problems.

# THRESHFIELD PRIMARY SCHOOL CELEBRATION ASSEMBLY

## Samuel

Samuel has been chosen for being an enthusiastic, responsive learner who spreads excitement for learning to those around him and has a thirst for knowledge and information.

Well done!

## Matilda

Matilda has been chosen for sharing with us her unlimited talents. For recognising in herself the things she needs to improve and for never giving up when working towards these.

Well done!

*Flying together as we grow and learn*

Attendance: **100% - 97%**    **93%-96%**    **>93%**

| Week       | Kingfishers | Curlew | Red Kites | Whole School |
|------------|-------------|--------|-----------|--------------|
| Week One   | 93.8%       | 100%   | 98%       | 97.3%        |
| Week Two   |             |        |           |              |
| Week Three |             |        |           |              |
| Week Four  |             |        |           |              |
| Week Five  |             |        |           |              |
| Week Six   |             |        |           |              |
|            |             |        |           |              |

This half-term our overall attendance: **97.3%**
