

# THRESHFIELD PRIMARY SCHOOL

Newsletter 11.06.2021

## Acting Headteacher's Message

We have had a wonderful return to school this week. With transition around the corner, we have been reflecting on the fantastic progress and growth of all of our children academically and socially from pre-school up to our year 6 pupils who are entering their final weeks of their primary school careers and, as always, we feel extremely proud of each individual child at Threshfield. We are looking forward to all this term has to offer including our Sports Days and special visitors. Watch this space!

## Dates for your Diary

**24.06.2021**  
Year 6 transition day UWS

**01.07.2021**  
Year 6 transition day SGH

**07.06.2021**  
Back to school

**21.06.2021**  
Rev. Peter Thomas visit

**23.06.2021**  
EYFS & KS1 Sports Day at  
Netherside Hall

**24.06.2021**  
UWS Year 6 transition day

**28.06.2021**  
Grassington Festival  
Workshops

**1.07.2021**  
SGH Year 6 transition day

**15.07.2021**  
KS2 Sports Day at Netherside  
Hall

**23.07.2021**  
Last day of term

## The Acorns

Our literacy this week has been based around the story "You can't take an elephant on the bus." The children have enjoyed listening to the rhyming sentences and then had to create their own funny sentences based on the story. In Maths we have been exploring the number 100 through counting marbles into a jar and seeing how far we can take 100 strides in the playground. We have been looking at different types of transport and have enjoyed printing and painting with different objects, including cars!

## The Seedlings

What busy bees we have been this week in the Seedlings classroom. As we are hoping to create a bee friendly garden, we thought we would learn lots of information about bees. After our research we illustrated and wrote about the lifecycle of a honey bee. Challenge has been the theme in Maths this week and we really rose to the occasion, with year 1 mastering place value of two digit numbers and year 2 working on their reasoning skills.

Our Friday carousel was very exciting; writing our own book in French, learning new songs in Music and bathing in Nature in our Outdoor Learning.

## The Oaks

It's been great to spend my first week with Oak Class, getting to know them all better and finding out what a talented group of young people they are. Our focus this week has been starting our new cross-curricular topic, 'The Deep', and we've been lucky enough to watch some live tutorials for World Ocean day, we even got some of the questions we posted answered. It was great to hear them say, '... and this question is from Oak Class, Threshfield School'. We've also started to create our own, to scale, sea creatures to transform our classroom into, 'Threshfield School Aquarium'. I've got everything crossed that you will be able to visit, to see the finished project. We've a little way to go yet!

## The Saplings

What an excellent first week back. It has been great to see the children coming back from their break refreshed and ready for their learning. In Saplings class this week, we have started a new topic, focusing on non-chronological repots and the children have really enjoyed reading a range of texts based on Harry Potter Studio tour. Mr Elliott is taking P.E this term and it was great to see the progress children have made with their ball handling skills since the start of the school year. It has been a lovely start to the new term, with the children playing nicely with each other and making kind choices.

Thank you so much to Friends of Threshfield for organising the Treasure Hunt. Our children have been telling me about it all week. It proves what I am always telling my class; numbers are everywhere! A lot of hard work goes into planning these events and we are extremely grateful.

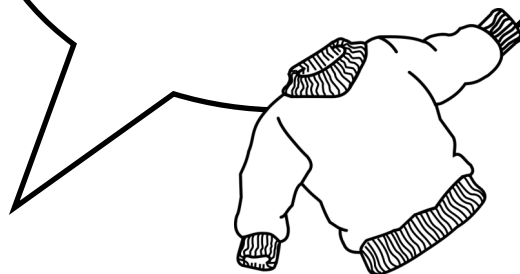

Class	Wb 07.06.2021
Acorns	99.57
Seedlings	98.43
Saplings	96.48
Oaks	96.46
Whole School	97.74

## LABELS PLEASE

Please make sure all clothing and hats especially jumpers, cardigans and hoodies are clearly labelled with your child's name.

It seems small but it makes a huge difference!

## Year 6 Transition Events 2021

Date	Event
Monday 24 <sup>th</sup> May	Primary School Visits begin (in person or remotely – tbc)
