NEWSLETTER 13.03.2020

Headteacher's Message

As the threat of coronavirus moves closer to our school, I would like to thank all the parents who have been completely honest about their travel plans or their close-family's trips. All we can do is to follow the government guidance on hygiene and self-isolate to control the spread of the infection. If you need to discuss anything further please do not hesitate to contact us immediately.
I will continue to send any information as soon as I receive it.

Parent Evening

Parents' Evening will be taking place the last week of half-term. The Kingfishers and the Curlews will be on Tuesday 31st March and Red Kites will be on Tuesday 31st and Wednesday 1st April. Appointments will be available from Monday 23rd March.

Easter Holidays

The Spring Term ends on Friday 3rd April for two weeks.

Kingfishers

This week in the Kingfishers, we have enjoyed the story. 'The Journey Home' and have linked our writing to this. As part of our healthy eating topic, the children have planted seeds, made fruit kebabs and taken part in a dance sequence based on the story, 'The Enormous Turnip'.

Curlews

In literacy we started our poetry topic off by learning two poems to perform. By Wednesday the children had realised that all the poems we were learning were all about our senses so we went on a senses hunt to inspire our own performance poetry. In computing the children created their own data to make pictograms on purple mash. Miss Alexander was seriously impressed when so many children carried on this work at home! Year 1 have been developing their gymnastic skills with a focus on jumping and landing safely. What a week!
Well done everybody.

Red Kites

This week, we have moved on in our fractions work to recognise equivalent fractions. We have developed our learning through reasoning and problem solving questions. In literacy, we have completed our non-chronological reports based around our 'perfect pets'. I think Deeno (donkey, sheep and rhino) was my favourite.

THRESHFIELD PRIMARY SCHOOL

CELEBRATION ASSEMBLY

Felicity

For working hard in school. For her kindness to others and for being a good friend. For her resilience in difficult tasks and her amazing mathematical brain. Well done!

Nancie

For being a really good friend to others. For being kind and caring and for trying really hard in every single lesson. Well done!
