## Headteacher's Message

Another week has come to an end and as usual we have had lots of interesting things happening around school. I would like to a huge thank you to the parents who have offered help on Saturday 14th September, from 2pm—4pm.

I have been working hard this week, piecing together our new website and school prospectus. So watch this space...

## Dates for your Diary

### **Year 6 Endangered Species Day**

Upper Wharfedale School,  
Friday 20th September, 9am - 3pm.

### **Open Morning Tuesday 8th October, 9.15am - 10.30am.**

Please come and join our classes for an open morning in school. Parents, grandparents, prospective parents are all welcome.

### #HelloYellow

### **Thursday 10th October**

Children will wear yellow for the day to raise money and awareness of the charity supporting the mental health of young people.

## Kingfisher

This week we have been reading Teddy stories and we created teddies using different art materials. We also made teddy bear biscuits and ate them during our teddy-bears picnic. It was lots of fun!

## Curlews

What a busy week for the curlews! In literacy the children have been reading Stanley's stick; their amazing imaginations shone when discussing the possibilities for a stick. In maths year 1 have been doing lots of counting - forwards and backwards, whilst year 2 have been making two digit numbers and have partitioned them in lots of different ways. Christopher Columbus was our focus in topic this week and the children couldn't believe how far he managed to sail such a long time ago!

## Red Kites

Red Kites have been learning about the types and amounts of nutrition required by humans. To demonstrate their understanding, we made pizza and discussed its nutritional value. Best of all they got to eat it the following day!

## The One-Way System

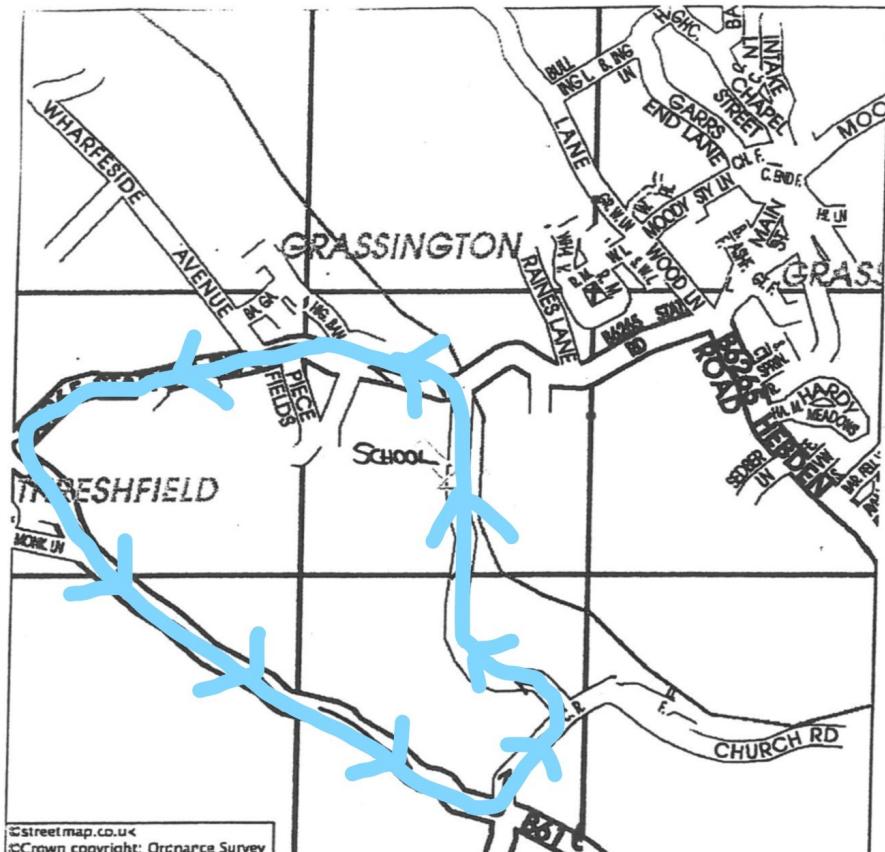

It seems the parking after school has improved since the newsletter last week so thank you everyone for taking special care to ensure our children and parents are safe.

Just a reminder that a member of staff will remain on the gate until 3.40pm if you want to wait for the congestion to clear.

I have left the map on the newsletter for another week as a further reminder to parents.

Thank you again. Miss Harper

Map detailing the One-Way System

Attendance: **100% - 97%**    **93%-96%**    **>93%**

Week	Kingfishers	Curlew	Red Kites	Whole School
Week One	100%	98.8%	100%	99.6%
Week Two	100%	100%	98.4%	99.47%
Week Three				
Week Four				
Week Five				
Week Six				
Week Seven				

**Overall Attendance: 99.47%**
