## Kingfishers

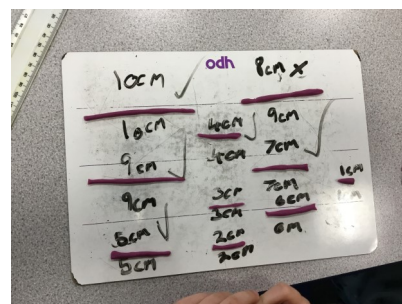

This week in Kingfishers we have enjoyed the stories 'Stickman' and 'Stanley's Stick'. The children had some super creative ideas about what their sticks could be. We made wands, fishing rods and even a 'tidy up' stick.

We have been using the 'tens frame' this week to practise our number bonds to 10.

## Curlews

The children have been busy all week writing their epic dragon stories and they are absolutely fantastic! On Tuesday the team from Yorkshire Camps spent the morning helping us understand stories from the Bible, as part of our sacred texts topic. Their favourite story was about Zacchaeus and how he climbed the sycamore tree to get a glimpse of Jesus. They were all given a parable activity book as well.

## Red Kites

This week the children have been finishing their stories from other cultures in literacy and working towards their individual targets. In Numeracy, they have been problem solving in Numeracy with measurements.

In our topic: WWII, the children have been learning about the design and function of the Anderson Shelter. They drew diagrams showing the key elements needed.
