

Headteacher's Message

Thank you to everyone for the delicious cakes and treats sent in for Children in Need Day, the children (and staff) thoroughly enjoyed them. We raised an impressive £91.11. The weeks are whizzing by and before you know it we will be eating our Christmas dinner so please ensure you read the newsletter dates carefully to keep track of all the exciting things happening.

Dates for your Diary

Enterprise Club

Miss Alexander will be running the club every Wednesday for year 2 - 6. Starts: Wednesday 13th November

School Choir

Our school choir meets every Tuesday at 12.30pm.

EYFS and Key Stage 1 Nativity

Tuesday 10th December 2019.

Christmas Carol Service

Tuesday 17th December

LEGOLAND!!!!

Yes, we are going to learn about engineering and science (obviously have lots of fun too). Mon 16th Dec

Curlews

The Curlews have worked super hard with their number knowledge this week; they have amazed themselves with how good they are at adding numbers!

In topic, the children learned about how Victorian children lived, focussing especially on the toys they played with and comparing them with the toys we have today. They were disgusted by the pigs bladder footballs!

Kingfishers

In Literacy this week we have been looking at the story "We're Going on a Bear Hunt" and have been learning to recite the chant off by heart! We have been sequencing the story during group tasks as well as identifying the sounds in the descriptive words. In Maths we have been learning how to make a repeating pattern. We have explored different patterns using colours, shapes and natural objects. The children have used different resources to recreate their own patterns. During outdoor learning we have been looking closely at the ice and watching to see how quickly it melted, we also collected natural objects to retell the story of the Bear hunt!

Red Kites

We started our week by walking to the War Memorial, outside the church. The children investigated the names on the war memorial and we discussed some facts about WWI. Then we read some poems to mark the occasion.

On Thursday, the Year 5 and 6 children were invited to Skipton Girls' High to take part in a STEM (Science, Technology, Engineering and Maths) event. It was a brilliant day! The children built suspension bridges; made their own brand of perfume and aftershave and used their knowledge to escape the Escape Room! The children behaved impeccably and we were very proud of them. Well done!

THRESHFIELD PRIMARY SCHOOL CELEBRATION ASSEMBLY

Our Threshfield Primary Champs.

Nell

Nell has been chosen because of how hard she has worked coming into Year 3.

Nell is facing each lesson, each activity, each challenge with hard work and determination and she does it all with a huge smile on her face. Congratulations Nell and well done!

Louis

Louis is a bundle of energy and brings laughter, excitement and noise to any activity. This week, Louis has been chosen due to his attitude to learning. Louis is trying really hard and when working with others Louis is being caring and kind. Well done Louis!

Attendance: **100% - 97%** **93%-96%** **>93%**

Week	Kingfishers	Curlew	Red Kites	Whole School
Week One	95.6%	96.2%	99.2%	97%
Week Two	96.9%	99%	99.6%	98.5%
Week Three				
Week Four				
Week Five
