

THRESHFIELD PRIMARY SCHOOL

NEWSLETTER 16.10.2020

Headteacher's Message

Friday is here again and next week is our final week before October half-term. Thank you for booking your Parent Evening slots using our adapted system, your time will be sent to you via a Dojo message on Friday 16th October. Please remember, we allocated your time slot in the order we received the form into school so you may not have the time you wanted. Thank you

Dates for your Diary

Parents' Evening

Parents' Evening will take place on Tuesday 20th and Wednesday 21st October, 2020.

Scary Story Day

On the last day of half-term, we will be holding a scary story day in school. The children can wear any fancy dress they would like - doesn't have to be scary story related. During the day, the children will take part in different activities, based around a scary story in their classrooms. The day will finish with four different discos happening during the school day.

End of half-term

School closes on Friday 23rd October 2020 for one week. We return to on Monday 2nd November, 2020.

The Acorns

It's been a very busy week in the Acorns Class. We have been learning about Harvest and which foods are collected around this time of year. The children prepared the corn, taking it from the plant and peeling it ready to be cooked. We also used the dried kernels to make popcorn which the children enjoyed at snack time. In English we wrote labels for our Harvest pictures and also made signs and menus for our ice cream parlour! The Children went on a leaf hunt with Mrs Oakes and we followed the story of the Gigantic Turnip in our dance lesson.

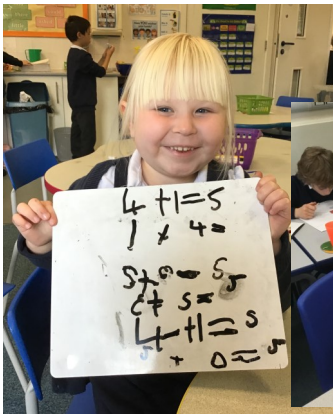

The Seedlings

What a busy week! In Geography the children have amazed me with their fantastic knowledge of the UK therefore, we applied this knowledge to broadcast our very own UK weather forecasts. We started our 'information texts' topic in English by reading Eric Carle's Mister Seahorse and have created our own aquarium full of the fish that are featured in the story. We have also written informative signs so that visitors to our aquarium know which fish they are looking at and also learn some facts about the different fish. Watch this space for the virtual tour of The Seedlings' Aquarium!

The Saplings

We have had a really focused week in Saplings Class this week. We all really enjoyed the fun activities on #HelloYellow day as well as trying to learn about the features of instructional texts through art. We have continued to really enjoy our P.E this week with Kanga Sports.

The Oaks

In The Oaks class this week we have been rounding numbers up to 10 million to various degrees of accuracy. This is always a tricky concept for the children, however, they showed excellent understanding in both fluency exercises and problem solving. For our homework this week, the children learnt a section of a Road Dahl poem which used rhyming couplets throughout. Each child learnt a section and put them together to recite the whole poem. They did very well :)

THRESHFIELD PRIMARY SCHOOL

Thank you!

We are devastated throughout school with the loss of Mrs. D and Mrs Sharp. We would like to thank them for everything they have done for the school, the children and the staff. They will be missed more than they know and we wish them all the luck in their next adventure. I am sure they will be not be strangers :)

Gill Top

It is amazing to have such wonderful links with our community. In the past we have been invited to the most amazing dance projects and to sing our Christmas Carols. Now we get cakes too!

Thank you to all the staff and residents at Gill Top. They were delicious.

Our Year 1 and 2 children showed our gratitude by creating some beautiful bunting.

Parent Governor

We have an exciting opportunity on our Governing Body for new Parent Governors.

Parent governors are in a unique position as governors, not only do parent governors have to work in the best interests of the school, but they have to balance this with their natural desire to see the best outcomes for their own child(ren).

If you have any questions about the role then please contact Miss Harper to discuss it further. Information will be sent out with the children. Thank you
