Headteacher's Message

Well what a week it has been! We have definitely gone out with a bang... The week began with Legoland! This was followed by the beautiful carol service at St Michael's and All Angels church, Linton; then our school Christmas Party and our last day involved pyjamas, elf training and, obviously, a Christmas movie.

What a week and what a year! I really can't believe it has been one year since I came to Threshfield and I have loved every minute of it; 2020 is going to be great!

Dates for your Diary

Return to School

Children return to school on Tuesday 7th January 2020.

Enterprise Club

Enterprise club will be starting again on Wednesday 15th January, 2020.

P.E. and Swimming

P.E. and swimming will begin again on Thursday 9th January: this is the first week back. Children in Year 2—6 come to school in their P.E. kits.

Kanga Sports

Our Sports Club will be continuing next half-term. The first session will be on Thursday 9th January. There is no charge for this club - all year groups welcome.

Christmas Party

On Wednesday 18th December, we held our Christmas party in school.

Our day began with lessons, as we had to complete some of our literacy and numeracy work before the fun began. At lunchtime, we all ate the party food together before we took to the dance floor to showcase our moves. Our home-made party hats finished off our outfits.

Carol Service

Our carol service was held on Tuesday 17th December at St. Michael's and All Angels Church in Linton.

The service began with our choir, who sang beautifully, led by their specialist teacher Sarah Churcher. The choir meet every Tuesday lunchtime for 30 minutes. There is no charge for the sessions as our wonderful PTA pay for them.

All the children performed beautifully and many parents mentioned how impressed they were by the quality and number of children taking part and speaking publically, which is a true talent.

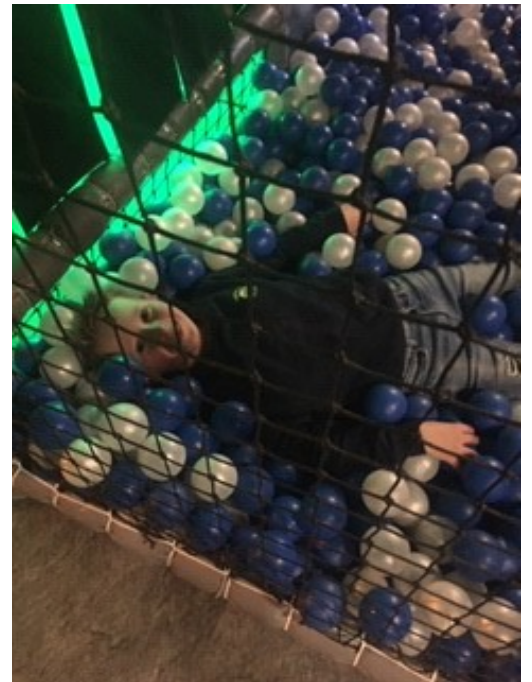

Well done to all the children and thank you to all the parents who came to support the school.

Legoland

On Monday 16th December, our entire school travelled to Legoland in Manchester for the full day. Each class took part in a workshop: Kingfishers developed their use of story language; the Curlews and Red Kites developed their STEM (science, technology, engineering and maths) skills through the building and testing of catapults and see-saws. Once the children had finished their workshops, we had time to explore the rest of the attractions. This included: building and racing your own Lego cars; the Lego-Ninja climbing area; there were rides and designing a Lego-building which could withstand an earthquake. The whole day was amazing - we thoroughly enjoyed it.
