NEWSLETTER 20.09.2024

Headteacher's Message

We have an exciting opportunity for a parent governor in school. Governors pay a vital role in school, helping to direct our vision and guide our progress. A letter with all the details will be sent out on Monday. If you think this is something you would be interested in, please come and see me for more details.

Transport around School

Unfortunately, we only have a small car park at school and parking can be very difficult. Please remember the systems that have been in place for a decade which support our school pick-ups and drop-offs.

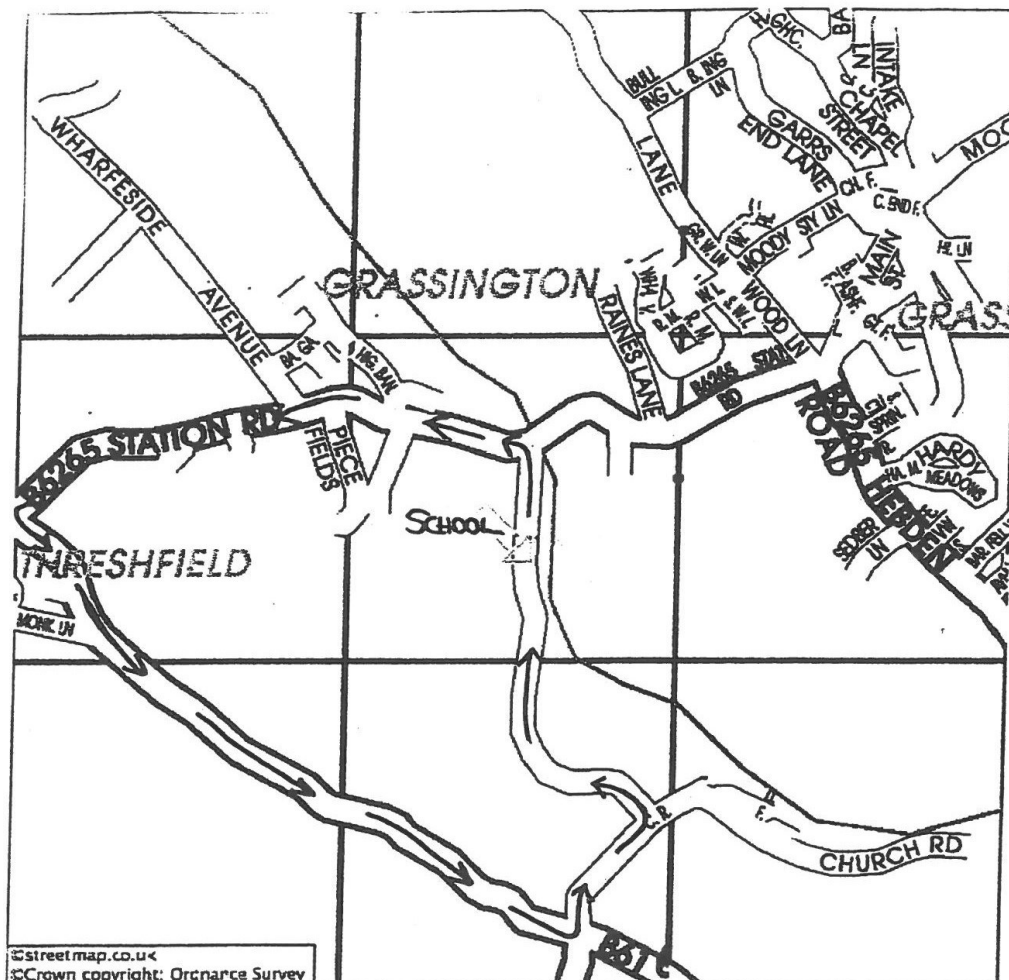

One-way system

We have a one-way system around school which enables the movement of traffic to continue. Going the wrong way means the road becomes congested and everything comes to a stand-still.

Parking sensibly

Being considerate of others

Bikeability

This week our Year 6 children completed Bikeability. They were fantastic and the instructors were really pleased with their attitude and progress over the two days. Well done year 6 :)
