Sapling Geography Field Trip

Last week our Saplings class spent the morning looking at the different types of land use in our local area, Grassington. We looked in particular at the different facilities available to people, including local shops, businesses and recreational activities. As an added bonus we also saw how the shop fronts were being changed in preparation for the filming of *All creatures Great and Small*.

Crucial Crew

Crucial Crew is a safeguarding events delivered by the police service; fire service and North Yorkshire county council.

The children completed workshops which taught safety measure of smoking, vaping, fire safety and road safety. These days are always enjoyed by the children and we thank the services for this excellent resource.
