

THRESHFIELD PRIMARY SCHOOL

NEWSLETTER 24.06.2022

Headteacher's Message

Well, you can tell it is the summer term when you cannot have one day without something exciting happening.

We've had to do a three page newsletter this week, just to fit it all on.

Attendance across school is beginning to become an issue for many children. Even though we are at the end of the year, this is the time of year when many assessments and consolidation activities take place which are very important for the support and activities they will receive next year. Your child's attendance at school has a huge effect on their attitude within school and to their learning.

Threshfield through the Wars

The Oaks' history topic this half-term looks at how the different wars through time have effected our local area. Bill Smith, a former secondary school history teach and local historian, delivered a workshop on Monday to enable children to put their historical learning into context through stories, photographs and artefacts.

Netherside Hall

Our Year 4, 5 and 6 children visited Netherside Hall for their residential. As always the Netherside Hall staff were outstanding and our children - and staff - had the most amazing time.

With archery, a waterslide, go-karts, songs round the bonfire and free time in the games room what was there not to love!

Sports Day

For those of you who couldn't make it to our Sports Day, you missed out! It was amazing. As always, the Netherside Hall staff arranged the morning to perfection and as always our amazing staffing team came together to give the children a wonderful traditional sports day too.

Our new house teams were a huge success and well done to The Brownlee House for gaining the most points on the day.

Phil Earle
Author Visit

We were very lucky today in The Oaks, as we had a visit from the author Phil Earle.

He was very inspirational and we purchased enough of his books so we can use it as our class reader till the end of the summer term, as it fits beautifully with our history topic.
