

# THRESHFIELD PRIMARY SCHOOL

# NEWSLETTER 27.09.2024

## Headteacher's Message

Thank you to all parents for their safer actions this week, making the end and start of school safer for all our children.  
Please remember that the one-way system is essential and has worked successfully for many years.

## **Dates for your Diary**

Please check the calendar on the school website for future events

### **Harvest Celebration**

Wednesday 2nd October, all parents and the community welcome to church for the service.

### **Harvest Celebration Part 2**

Tuesday 15th October

### **Hello Yellow Day**

Wednesday 9th October

### **Parents Evening**

Monday 21st October

Tuesday 22nd October

### **Magic School**

Friday 25th October

### **Children in Need Ramble**

Friday 15th November

### **Assessment Week**

9th Dec - 13th Dec

### **Nativity**

Wednesday 18th December

### **Carol Service**

Thursday 19th December

### **Christmas Party**

Friday 20th December

## The Acorns

This week in Art the children been doing observational drawing. As a class we went on a nature walk to collect leaves and the children then drew them fabulously. We used different forms of media to add colour to them. In Geography, we enjoyed identifying plant life around our school grounds and representing this on a sketch map using stickers. Well done everyone!

## The Seedlings

This week in Art the children been doing observational drawing. As a class we went on a nature walk to collect leaves and the children then drew them fabulously. We used different forms of media to add colour to them. In Geography, we enjoyed identifying plant life around our school grounds and representing this on a sketch map using stickers. Well done everyone!

## The Saplings

It has been a super week of topic learning in the Saplings Class. We explored world climates in Geography with a focus on where different crops grow. In History we looked at artefacts in more detail and to understand why these artefacts were of particular importance. We are becoming experts on nouns following our grammar lessons this week and we also explored reading plus in class so we can develop our comprehension skills.

## The Oaks

The children have become experts of nouns this week. Do you know the difference between common, proper, partitive, collective and abstract nouns? Our Oak Class do!

In Geography, the children learned about New Forest National Park and researched the wildlife that thrives there.

We quickly realised that our own Yorkshire Dales National Park has a vast amount of ecosystems to explore as well.

I have been especially proud of the children in Maths this week when the children showed exceptional resilience when working with number lines with numbers reaching the 10 millions. Well done, Oaks!

### Summer Reading Challenge

A huge well done to all our families who accessed the Summer Reading Challenge. As usual we had a fantastic number of children across school taking part and everyone thoroughly enjoyed the books and activities.

Week	Acorns	Seedlings	Saplings	Oaks	Whole School
Week One	100%	96.3%	95.2%	100%	97.9%
Week Two	97.4%	99.3%	98.1%	99.4%	98.6%
Week Three	100%	96.7%	91.9%	98.1%	96.7%
Week Four	100%	97.4%	99.1%	96.1%	98.2%
Week Five					
Week Six					
Week Seven					

This week our overall attendance: **98.2%**
