Headteacher's Message

Last week we have had a real focus on history. Both our key stage 2 classes have welcomed visitors into school who have brought their history learning to life.

Real-life experiences bring the learning to life and gives children a context for their learning in class.

Viking Day

Bjarni, the Viking farmer visited the Oaks Class last week immersing the class in rich Viking history. We listened intently to stories, studied a vast range of artefacts, had an incredible weapons display (the poor cabbage didn't stand a chance) and learned all about Viking trading and coins. It was a fascinating day and school is definitely more fun when your classroom gets taken over by a Viking!

Stone Age Day

The Saplings had a wonderful day learning about the Stone Age. Despite the extremely cold day the children were able to spend time looking at some amazing artefacts. In the afternoon the children had the opportunity to make their own Stone Age bread, preparing the ingredients and then cooking this on an open fire! They then enjoyed building tents to fit all of their team in! The children had a fantastic day!

Be Internet Legends

On Tuesday 26th November, the Saplings and the Oaks will be taking part in the Be Internet Legends assembly.

This develops our knowledge and safer practices of how to stay safe on the internet and look after ourselves online.

Online Safety

Our Year 5 children have been taking over my Monday assemblies, to share their knowledge of how to keep safe.

We use the acronym SMART to show children the different areas of danger on the internet. Each week, as group of children have explained the important of each letter.
