

# THRESHFIELD PRIMARY SCHOOL

## NEWSLETTER 29.04.2022

### Headteacher's Message

A brilliant first week back and a lovely three day weekend to look forward to. I hope you all have a wonderful bank holiday.

A reminder about grapes in packed lunches. We are not allowed to have whole grapes in school as they are a huge choking hazard. If you do give your child grapes can you please slice them lengthways. Thank you

### Dates for your Diary

#### **Cricket Competition**

Year 3 and 4 and Year 5 and 6 have been invited to a cricket competition on Thursday 12th May.

#### **Bags2School**

Thursday 5th May - 9am.

#### **School Closes for May half-term on Friday 27th May.**

#### **Queen's Jubilee Pageant**

Pageant in Grassington Square - beginning at Grassington Primary School.

### **The Acorns**

What a week back at school! Our learning has been inspired by the stories Jasper's Beanstalk and The Tiny Seed this week. We have been busy in the garden planting seeds and beans in the hope of flower's as beautiful as the Tiny Seed and beanstalks as HUGE as Jasper's.

In maths we have been exploring 3D shapes - naming them, describing their properties, and of course building epic towers with them! We have also been working on repeating patterns using movements and shapes. Well done, Acorns!

### **The Seedlings**

What a brilliant start to the Summer term.

The children in Seedlings Class have been busy immersing themselves back in their learning. It has been fantastic to see the children settling back in so well after a long break. This week we have really enjoyed starting our new topics on Famous people, focusing on nursing, as well as our new geography topic, exploring our world.

### **The Saplings**

In English this week, we have followed the adventures of Barnabus in the story, 'The Barnabus Project'. The children wrote their own exciting endings. We have begun to explore the life of the Tudors through artefacts and portraits. In Maths, we have been looking at tenths and decimals and the different representations of these.

A highlight this week has been the super cricket coaching on Thursday after school.

### **The Oaks**

By 9.30 on Monday morning the children in Oak Class had been introduced to William Shakespeare and had already recited some of his words!

We have started studying some of the classic poets and (I think) the children have been surprised to find this quite an enjoyable task. They have turned into performance poets for Shakespeare and artists, creating pastel drawings, for William Blake's poem, 'Tyger in the Night'.

We've also been hands on with our Maths, measuring, converting and calculating the volume and capacity of shapes and objects. Great work Oaks!

### Cricket Practise

Our first cricket practise was a huge success. A huge thank you to Mr Rayner and Mr Dobson for giving their time to coach the children. It was excellent! We have some brilliant cricketers.

Week	Acorns	Seedlings	Saplings	Oaks	Whole School
Week One	99.1	96.4	96.8	96.5	97.2
Week Two					
Week Three					
Week Four					
Week Five					

This week our overall attendance: **97.2%**
