

Headteacher's Message

I am sure with its prominence in the news at the moment, the Coronavirus is something which may have been on your mind. I have attached an informative text sent to us by the DfE (Department for Education) which is guidance on the current situation. If or when we receive anymore information, I will keep you updated immediately.

If you are worried or concerned at any point, then please come and speak to me. At this moment, we need to follow the guidance and make sensible decision about hand cleanliness and school travel choices. Thank you
